Lee & Son LLP
Startup by
Viraporn's family

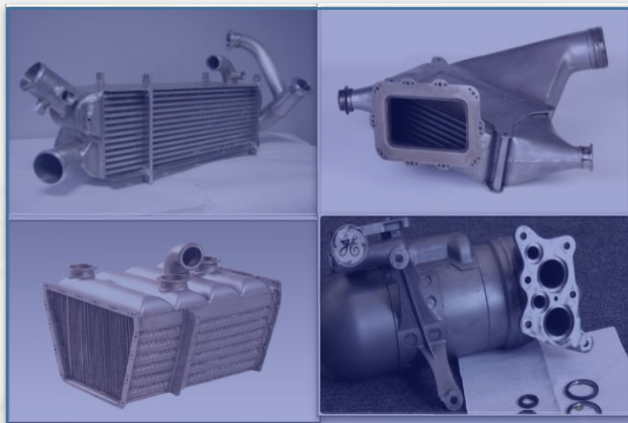

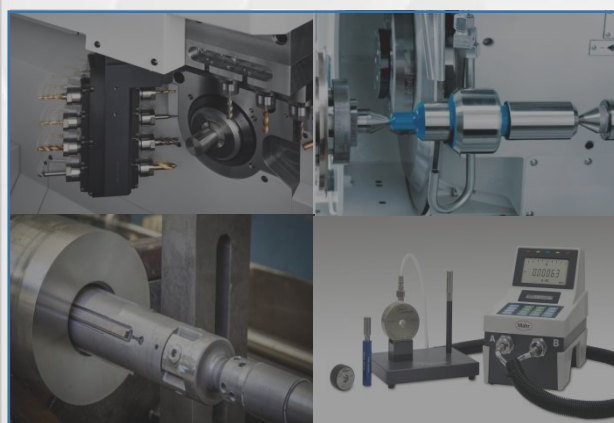

Lenso
Rebranding to Lenso
Import | Export Car
and truck tyres

Lenso Wheel
100% Thai owned wheel
manufacturer with sales turnover of
about \$60 million per year and
product capacity of 800,000 pieces
per year.

Lenso Aerospace
Aerospace subcontract manufacturing
company. One stop integrator in the
aerospace industry who supports your
business plan and strategies as your
own manufacturing facility

Year 2002 – Best Thai Brand
Year 2006 – Best Thai Owned Design
Year 2009 – Best Exporter
Year 2017 – Best Thai Brand

AEROSPACE SECTOR

Aero Structure

1 μm control on turning + grinding + honing + air gauge inspection + press fit assembly. 5 μm control on machining center 3-4-5 axis

Aero Engine

Machining Inconel block and bar with unique technique and Extensive knowledge of manufacturing heat exchanger

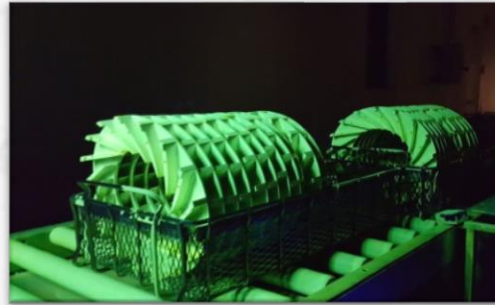

Aircraft Interior

First class and business class table assembly with high and strict requirement of show face surface

Avionics

Sheet metal assembly with multiple tolerance control on each bill of material

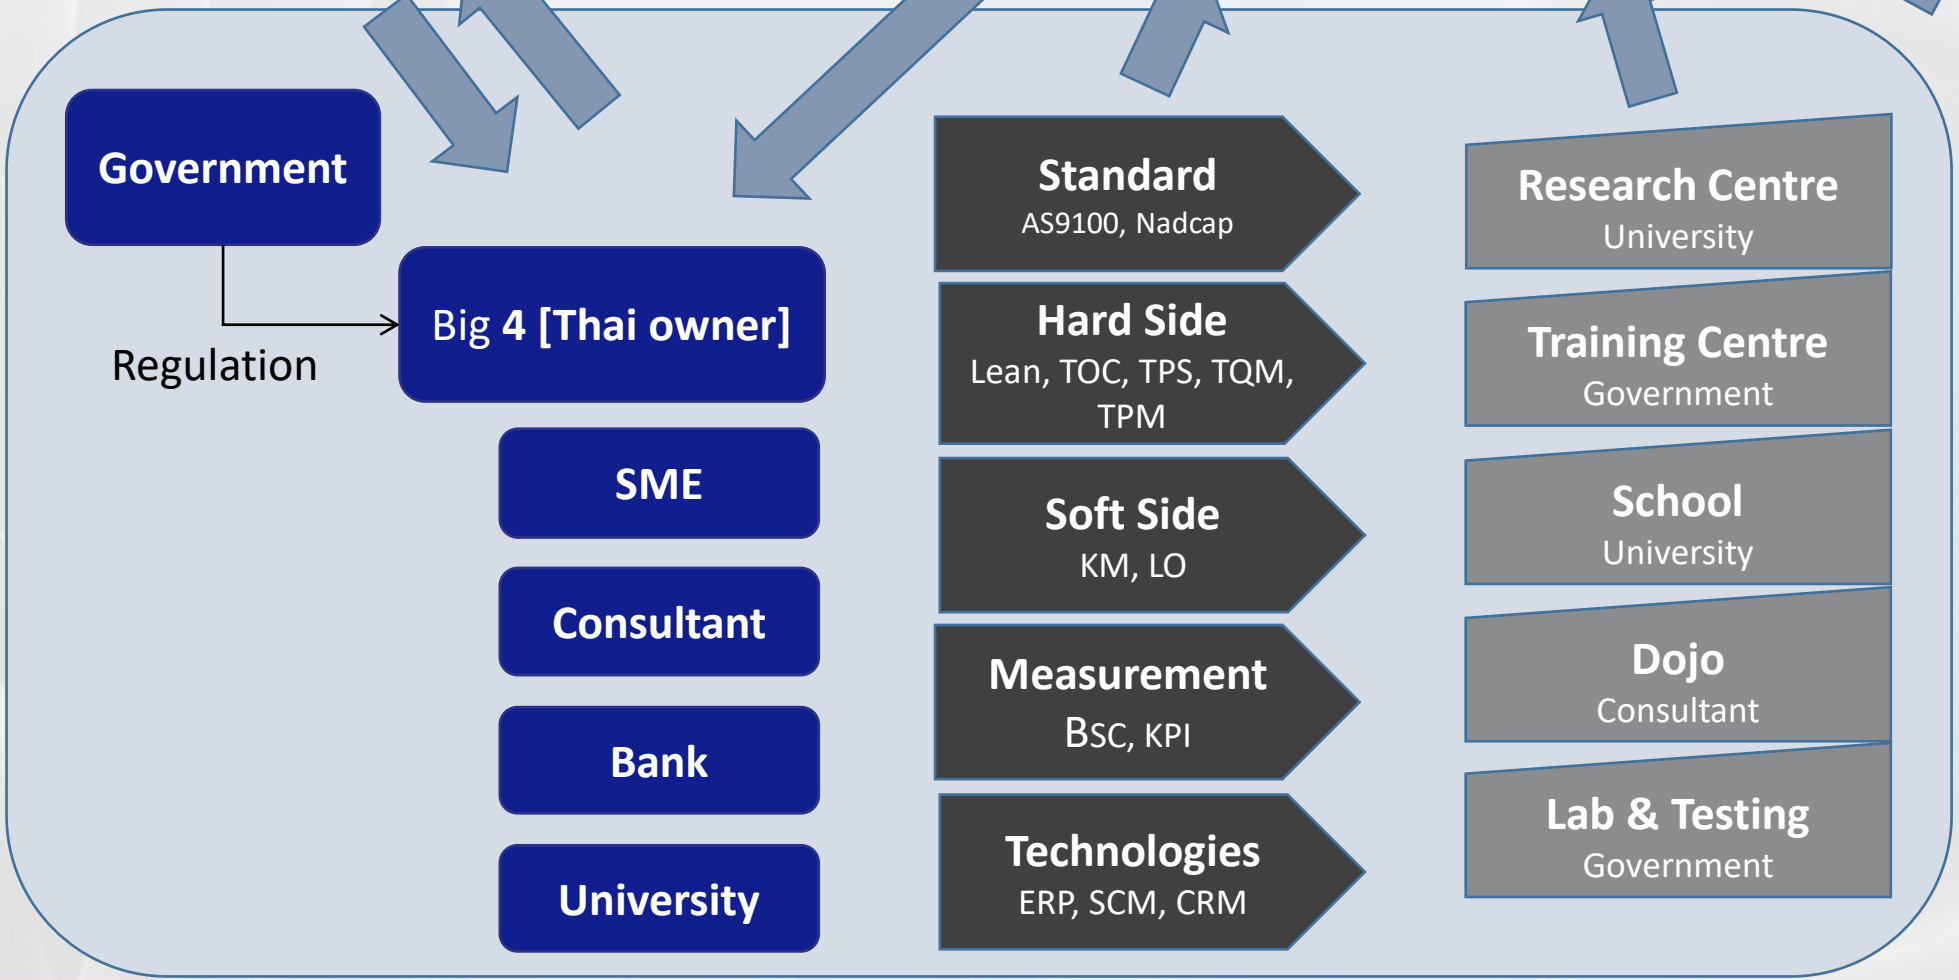

AEROSPACE INDUSTRY

QCD	COST REDUCTION	SAVING
SHORT LEADTIME	HIGH MIXED LOW VOLUME	APPROVAL
SYSTEM CONTROL	LONG TERM INVESTMENT	DOCUMENT CONTROL
